Candidate's photo should meet the same criteria as ID document photo.
They are as follows:

- Technical remarks:
 - Photos should have good quality (clear, with proper brightness, contrast and colour).
 - The background should be white, smooth and not too bright, and the head outline should be visible. A shadow of photographed person should not be visible in the background nor any other distractions.
 - Colours should be natural, photos without colour are forbidden (black and white, sepia).
 - A photo in JPEG or PNG format is preferred in minimum size of 500 x 625 pixels which enables printing a photo in 2 cm * 2,5 cm size with proper quality. Pictures having larger size are also acceptable if they meet the mentioned proportions. If the uploaded picture has wrong proportions, it will be possible to crop it in the system.
 - If the admission rules require you to deliver a physical photo, it should be identical to the one uploaded electronically.

International Business is a part-time program which offers you a unique opportunity to study business in the international context, with a solid grounding in economics, law, finance and management. You will get familiar with the contemporary issues in the global economy and the conditions of conducting international business operations. The language of instruction is English and additionally during the entire duration of the program, students can study two selected foreign languages.

Studies delivered only in English
[Learn more about the program](#)

Using the online recruitment system, you can apply for the study program of your choice, pay the application fee and add documents required in the application process.

Qualification rules

To register for first-cycle studies add a document named Foreign maturity diploma (high school) [Personal forms -> Education], then Edit exam results and in the column "taken" check the boxes next to the subjects you want us to take into account when calculating your final score.

Admission of candidates to the first year of first-cycle studies is based on the results of the secondary school leaving examination.

A candidate who obtained at least the minimum number of points determined by the University Recruitment Committee may be admitted to the first year of studies.
