University of Economics in Katowice

University of Economics in Katowice was founded in 1937 and is the biggest and oldest business school in the region of Silesia, one of the top universities in Poland. Our students and graduates, who mature in a thriving metropolis, engage in the development of the region in the course of their professional lives: managing companies, organizing socioeconomics life, taking part in a wide range of business activities. Due to the balance between academic strength and soft skills in our courses, as well as professional career services, the employability of our graduates is very high.

Why UE Katowice?

- / Prestigious diploma of an accredited university,
- / Small international groups, high comfort of studying,
- / Attractive scholarship opportunities,
- / Fixed tuition fee,
- / Low cost of living,
- / Great location for visiting Europe,
- / Modern infrastructure (libraries, swimming pool, gym etc.).
