Tutorial: Cómo acceder a tu contenido de aprendizaje

The screenshot shows a user interface for a learning community. At the top left is a profile icon and the title "English Learning Community and Resources". Below this are sections for "Learning with OLS", "Assess your level", "Join the forum", "Explore learning resources", and a "Tutorial" section. On the right side, there's a "Calendar" showing no events, an "Interactions" section with "Announcements" and a "Forum" (which is highlighted with a red box and a red arrow pointing to a callout box labeled "Foro"), and a "Resources" section with a "Tutorial" item.

Below the main content area, there are two "Spotlight" boxes. The first is for "education & capacity building" featuring an English Placement Test. The second is for "education & capacity building" featuring a Mobility & Intercultural Podcast. At the bottom, there are filters for "Language", "Type", "Curriculum" (which is highlighted with a red box and a red arrow pointing to a callout box labeled "Filtro Grammar | Vocabulary | Level | Language in Focus"), and "Provider". Below these filters are four course cards numbered 1 to 4.

Callout boxes with red arrows point from specific UI elements to their corresponding descriptions:

- A red arrow points from the "Forum" button in the Interactions sidebar to a callout box labeled "Foro".
- A red arrow points from the "Curriculum" filter button at the bottom to a callout box labeled "Filtro Grammar | Vocabulary | Level | Language in Focus".
- A red arrow points from the "Tutorial" section in the main content area to a callout box labeled "Prueba de nivel".
- A red arrow points from the "Mobility & Intercultural Podcast" spotlight card to a callout box labeled "Podcast".
- A red arrow points from the "Language in Focus" section in the curriculum filter callout to a callout box labeled "Grammar | Vocabulary | Level | Language in Focus".

Below the callout boxes, there is a large callout box containing a numbered list:

1. Grammar (Gramática)
2. Vocabulary (Tarjetas de vocabulario)
3. Interactive Modules (Módulos interactivos)
4. Language in Focus (curso)
